# The Field of Light

It is exciting to learn the plans for the British artist Bruce Munro to exhibit the field of light in the autumn across East Portlemouth. This will be done to mark the 200th celebration of the RNLI and will put Salcombe on the map for the oncoming months. The vast sculpture slowly changes colour, creating a shimmering field of light. This will be spectacular.

With hundreds of thousands visiting this will be an opportunity for the town community to give a big welcome. It will no doubt require a lot of planning and logistics but I hope that businesses can take advantage of this and help the local economy. All hands on deck!

I plan with the churchwardens for your parish church to be open as much as possible, and for a series of special events and services. The theme of light shining in the darkness

will always be highly relevant to the Bible, Jesus himself said he was the “Light of the World” (John 8.12).

For more information on what the field will look like, why not go online to Home - Bruce Munro Studio at [www.brucemunro.co.uk](http://www.brucemunro.co.uk)

Fr Daniel  
Vicar

## **HOLY TRINITY CHURCH EASTER FLOWERS**

Thank you so much to everyone who helped arrange the church flowers for Easter. It looked so good, and we had lots of comments about it. Easter brings the church back to life, as we have had Lent, with no flowers in the church, and it looks so bare! Thank you also to those of you who gave donations in memory of loved ones. It is so good to remember our loved ones at times like Easter. The next time we will be decorating the church, apart from the Altar and Lady Chapel, with flowers on the window sills and rails, will be when we have our Harvest Festival, but that is a long way ahead. Let's hope we have some sunshine and dry weather before Harvest, or there will be no harvest for our farmers!

Ann Woodhatch

# **St Peter's and All Saints Malborough**

## **Thoughts from a Churchwarden**

It seems that nature is working hard to overcome such a long, windy and wet winter, but very gradually spring is beginning to appear, bringing hope for brighter days to come. Nature is waking up! Not only has the winter been long and difficult, it seems to me that this is mirrored in the constant stream of fearful and distressing news which is all around us at this time. If all we did was to read and watch the news brought to us in our newspapers and TV screens (and online) we would have a very skewed view of the world in which we live.

We might forget that we have kind and loving neighbours, family and friends. We might not understand how blessed we are to live in a beautiful part of the world, which is relatively safe and free. That the community in which we live is supportive and willing to help us. We may not realise how wonderful it is to be able to express our faith openly, even in our increasingly secular society. I know that this is not the reality for many people in the world, and even in our own nation, but it is the reality (thankfully) in which I live at this present time. If I can encourage this understanding, then I hope and pray that I can remain strong and do what I can (even in the smallest of ways) to help relieve the suffering and difficulties around us. Spring is here.

Sandra Price

## **Saint Peter's and All Saints Dates for your Diary**

**On Saturday 11<sup>th</sup> May 10 am**  
until 12 noon we are holding a Plants  
and Preserves sale. We will have home  
grown plants and homemade preserves  
for sale, as well as morning coffee and  
refreshments. A very warm welcome for  
all in our parish and communities to join  
us.

All proceeds for the church, and some goods will be sold specifically for the Living Churchyards project.

We look forward to seeing you there!

# TOWARD THE UNKNOWN REGION

## **Alvington Singers**

Harriet Oakley *director*

Robert Pecksmith *organ*

Saturday 18th May 2024

at 19:30

**Tickets £15**

available from [www.buckfast.org.uk/events](http://www.buckfast.org.uk/events)  
or from the Abbey Visitor Welcome Centre

Alvington Singers performs an eclectic programme with composers ranging from Purcell and Victoria to Casals, Gjeilo and Stroope, as well as their title piece *Toward the Unknown Region* by Ralph Vaughan Williams.

## TEAR FUND POST AID

I have received a letter from Tear Fund thanking us for the £155 that we sent to them, which was raised by our annual Post Aid. This year some of the money is being donated to people in Venezuela who had to move to Colombia as many of the shops had no food. The letter tells us about Zuleima who had to move with her son to Colombia. She started a woodworking business where she was making items for people's homes and was gifted a table saw by Tear Fund's local partner, AGAPE. She is now able to earn some money which she desperately needed. Tear Fund are also supporting 15 self help groups with AGAPE in Colombia and helping women to receive business training.

*Food parcels for hungry families in Columbia*

As I told you in the February issue of the Three In One, that after over 25 years I have decided to give up organizing the Christmas Post Aid. If there is anyone reading this who would like to take it over next Christmas, please let me know.

Ann Woodhatch 843654

The Taizé services are held the first Sunday in the month

**6.30pm Holy Trinity Salcombe**

This is a peaceful, contemplative service with short readings and the simple songs of Taizé. We come together to pray and meditate and to share in the presence of the Holy Spirit. Everyone is truly welcome to join us. The upcoming dates are:

**May 5th**

**June 2nd**

**July 7th**

## Malborough with South Huish C of E (VC) Primary School

*'The roots to grow, the wings to fly.  
All within the love of God'*

Church was packed for our Mother's Day service; the children read out poems, the Reception children stole everyone's hearts when they explained to everyone why 'I love my Mummy.....', they all sang beautifully, and the Spiritual Detectives read the prayers and distributed the Mother's Day posies which the children had made in School that morning.

The school fundraised for Comic Relief by coming into school in mufti. Class 1 had a brilliant afternoon bug hunting as part of their mini beast topic. They found woodlice, spiders, snails, worms, flies, beetles, ladybirds, and even spotted a bumble bee.

Class 2 have been learning about shape in their maths lessons. They have studied and discussed a variety of shapes and made 3D models of some of them. They also enjoyed painting the cars they have constructed in the Design & Technology lessons.

Class 3 have been learning about levers and mechanisms in their DT lessons.

Class 4 in DT have been learning different joints they can use to create a strong base for their bird hides, and in PE they have learnt the importance of accuracy when fielding in cricket and put it into practice in a game that is a mixture of netball, football, and cricket.

The whole school enjoyed a day at Buckfast Abbey, where KS1 took part in 'The Donkey's Tale' workshop in the Medieval Guest Hall. Here they learnt about the Easter story through the eyes of Solomon the donkey. Afterwards they had a tour of the abbey and then completed an Abbey Church Spotter Sheet in the Easter Resource Room. KS2 enjoyed a 'Threads of Easter' tour in the church followed by Easter Cross craft activities in the Education Centre. Their visit ended with a tour of the abbey's beautiful gardens.

The whole school enjoyed a visit from the Explorer Dome science workshops. They learnt about the wonders of space, exploring our

planet, moon, sun and the solar system, immersing themselves in a hot rainforest, dry desert and freezing arctic.

It was lovely to see so many people in church for the Easter service. Classes 3 and 4 told the story of Easter and read the poem 'Tress' by Jan Edmunds, and classes 1 and 2 gave a word-perfect performance of 'Spring Chicken'. As always, the children were accompanied by Trevor Becker, and our church congregation very kindly offered teas and coffees before the service. A big thank you to everyone who supports our school in so many different ways.

We ended the Spring term with an afternoon of Spiritual activities: the children made cards, worked as a team, and participated in a yoga session. All activities were aimed at thinking about both ourselves and the wider world. A great moment to pause and reflect on the school term and also what lies ahead.

Jane Greaves – Chair and Foundation Governors for The South Hams Federation

## **Christian Aid Week 12th to 18th May**

Please contribute as much as you can to Christian Aid using the enclosed envelope. Deliver it to Holy Trinity Church Office before 18th May. If appropriate, do fill in the attached Gift Aid form and put it in the envelope.

Thank you for your generosity.

Carolyn

## KINGSBRIDGE ESTUARY u3a

In early April we were treated to a fascinating talk by the photographer and retired vet, Stephen Powles. His wildlife photography was beautiful, but most astounding were the ingenious methods Stephen had used to obtain close-up shots of his subjects. These ranged from bats in

Kenya, rare pine martens in Scotland to animals much closer to his Devon home. There were fabulous shots of tawny owls, kingfishers and hedgehogs, among many others. We saw video footage from inside a hornets' nest in the wall of Stephen's house, watching them manufacturing their nest material from rotting wood, and were amazed at foxes scaling his wall in search of pears at night. There were even mice which had worked out how to defeat a humane trap. Apparently they love porridge oats and peanuts.

This was altogether a visual treat and a highly entertaining morning.

In May Chris Groves, the gardener at the National Trust Garden, Overbecks, will give us a virtual tour of the garden through the seasons. This is a hidden gem which is carved into the hillside 80 metres above the sea. Its extraordinary position not only provides breathtaking views but also allows tender plants to flourish, a fact the original owners were well aware of as they planted exotic and subtropical seeds.

This will be at Malborough Village Hall on May 24th at 10am. As usual, visitors will be most welcome .

Barbara McLarty

## Salcombe D-Day 80th Commemoration 6th June 2024

On 6<sup>th</sup> June 2024, Salcombe will proudly commemorate the 80<sup>th</sup> anniversary of D-Day with a series of events culminating in lighting a beacon at 9.15 pm. Between 3<sup>rd</sup> and 5<sup>th</sup> June 1944, a U.S. Navy Amphibious Force of 66 ships and six Royal Navy escorts sailed from Salcombe, tasked to land on Utah Beach, Normandy and help liberate enemy occupied Europe.

The D-Day 80th Commemoration Parade starting at 8.30 pm from the War Memorial outside Cliff House, will march to Whitestrand and assemble there for the Town Crier's Proclamation and welcome from Fr. Daniel French, Reveille and the Mayor's International Tribute, followed by lighting the beacon at 9.15 pm.

More details of events will be in the June issue of The Three in One.

Registered Charity Number 1166469

The minibus is running from your Salcombe home to Malborough Village Hall & back for Covid inoculations on Wednesday 15/5. Inoculations are for over 75s and there are two appointment blocks for minibus passengers: 10.00-10.15 & 11.15-11.30. If you want to use the minibus, please call Margaret Moore 842006 to book a place. You do not need to call Redfern Health Centre to book an appointment – we will provide the list of minibus passengers to them. If enough demand, we may arrange another trip on 22/5. If under 75, but think you may still qualify for a jab, you must check this with the Health Centre.

Regrettably, the “Energy from Waste” plant tour at Devonport is cancelled: not enough people to make it worthwhile. Instead, we are going to an old favourite on 10/5: Widecombe in the Moor. We are not stopping at the House of Marbles but lunching at Ullacombe Farm, near Bovey, which was popular last time we visited. To confirm our booking, I need menu choices by 3/5, please. Margaret and I have the menu or Google “Ullacombe Farm”. After lunch, you can have tea in Widecombe at the Café on the green or refreshments in the Old Inn, and then explore the historic Church. We’ll come back along the ridge road to Princetown to enjoy the scenic views. Later in the year we plan to go again, stop at the House of Marbles and have lunch in the Old Inn.

A trip to the National Marine Aquarium in Plymouth is scheduled for 20/5. Tickets must be booked and an arrival time slot selected. Concessions (60+) tickets cost £23, so please let me or Margaret have this by 13/5, so I can buy the tickets which allow free return visits for 12 months. A certain amount of walking is involved but there is disabled access, and a limited number of manual wheelchairs. There is a gift shop and lunch is in the Waves café overlooking the Barbican or, weather permitting, an outside picnic area with sea views.

Monday 27/5 is a bank holiday, so the Age Concern lunch that week is on Tues 28/5.

Please book Wednesday supermarket & Thursday town runs on the clipboards available on the minibus and taken into the Over60s centre on Thursdays. Please call Margaret Moore (842006) if you want to book a place on any other day trips or want to make a last-minute booking change.

Tim Mattocks, 842140 or 07970 374666 (Chairman)

## **REQUEST FOR VOLUNTEER MINIBUS DRIVERS**

Salcombe minibus is looking for volunteer drivers to join our friendly team and take passengers out for their shopping or visits to local attractions. You will get the chance to meet some Salcombe characters and exchange a yarn or two, whilst providing a valuable service, helping locals get out & about, and socialise.

You need a car driving licence and be aged between 21 & 70 with a minimum of 2 years driving experience. The bus is not heavy to drive, and you will always have an experienced courier with you to help. If you fancy having a quick drive without passengers, just to see if you like it, please let me know. I don't mind if you try it and then say it is not for you.

If you can spare an occasional half-day for a simple shopping trip to Kingsbridge or round Salcombe, we would love to hear from you. With a little experience you could drive on longer trips, if you like, and enjoy days out at local attractions like Dartmoor. The service we provide is the envy of many other towns. It is a rewarding, fun experience, highly valued by our residents. We can't pay you, but you get to have fun and visit places of beauty for free. Please call me if you have any questions or want to give it a go, with no obligations.

Tim Mattocks, 01548 842140 or 07970 374666.  
Chairman, Salcombe Minibus

At our last meeting the guest speaker was Jill Beavis, who enthralled members with an informative talk about her work as a First Responder. Members are now very much aware of how she, and the volunteering work of others, helps people when they most need it and how lucky we are to have First Responders locally.

Jill is also involved with the Hope Cove Lifeboat, helping to fundraise for this independent body to keep it running and assisting people who run into difficulties on the water. She also raises money for the charity Sense, which helps people who have complex disabilities, like being deafblind, and she has raised a considerable amount of money for the Charity participating in organised treks in many countries.

In addition to our monthly meeting, Members may, if they wish, join others for forthcoming events. There was a visit on 23<sup>rd</sup> April to the Orchid Nursery near Newton Abbot and a trip to the Merlin cinema in Kingsbridge for a showing of the Royal Ballet's Swan Lake on 26<sup>th</sup> April.

The Salcombe WI has a walking group which meets fortnightly to enjoy a pleasant local ramble and a visit to a local Café for coffee afterwards and it is hoped that with better weather these walks will be more regular. The Needlework group meets on the first Tuesday of the month and Members enjoy an afternoon of knitting, crochet or other crafts with talk and tea and cake at a member's home.

Our May meeting will be for Members only as it will be the Annual General Meeting when our current President, May Crimp, will be standing down and Members thank her for all the work she has done in her two terms as President.

We meet on the third Tuesday of the month at Salcombe Rugby Club at 2pm. If you are interested do come along or if you would like more details either email our Secretary on [salcombe@devonwi.org.uk](mailto:salcombe@devonwi.org.uk) or contact our President, May Crimp on 01548 842361.

THE BOOK OF PROVERBS IS A COLLECTION OF 'WISE' SAYINGS FROM THE HEART OF THE OLD TESTAMENT.

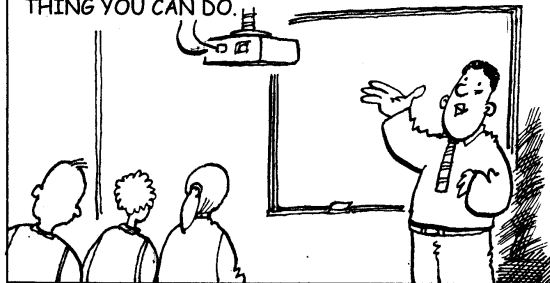

WHAT DO THE FOLLOWING PROVERBS MEAN? THEY ALL COME FROM CHAPTER 4.

LISTEN CHILDREN, TO A FATHER'S INSTRUCTION. PAY ATTENTION AND YOU WILL HAVE UNDERSTANDING.

GETTING WISDOM IS THE MOST IMPORTANT THING YOU CAN DO.

YOUR EDUCATION IS YOUR LIFE - GUARD IT WELL.

DO NOT GO WHERE EVIL PEOPLE GO. DO NOT FOLLOW THE EXAMPLE OF THE WICKED.

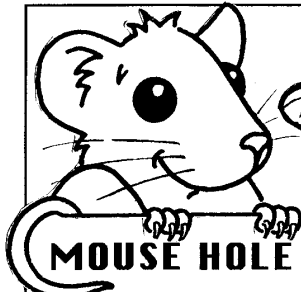

BE CAREFUL HOW YOU THINK. YOUR LIFE IS SHAPED BY YOUR THOUGHTS.

NEVER SAY ANYTHING THAT ISN'T TRUE.

see Proverbs Ch. 4

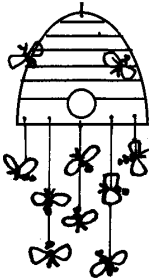

**MOUSE HOLE**

### Buzzy Bees

- Twist together 1 yellow pipe cleaner and 1 black pipe cleaner

- Slot in the wings made from a rectangle of cellophane, plastic or tissue that has been rounded off at the ends.
- Twist the pipe cleaners a further 3 to 4 times then trim.
- Make a large card beehive and hang lots of bees from it!

and **good** for  
the health

Proverbs 16:24

The name  
**DEBORAH**  
means  
**BEE**

Read **Deborah's**  
story in  
*Judges 4 & 5*

Have you heard the sayings:

- 'Busy as a bee'
- 'As sweet as honey'
- 'A hive of activity'
- 'The bee's knees'

**BEE**  
**WORDS:**

**BEEN**  
**BEEF**  
**BEEP**

## South Hams Centre

Our coach outing in March was to East Devon and a morning visit to Honiton is always popular with Centre members. There are numerous independent shops and cosy cafés to explore and, in the town famous for lace-making, the Allhallows Museum has wonderful displays, including exquisite examples of Honiton lace from the 16<sup>th</sup> to early 20<sup>th</sup> Century.

After lunch we drove just a few miles further into the lovely East Devon countryside to Blackbury Honey Farm, a working, family-run farm. A chance here to take a stroll in the extensive gardens and see the bee hives before purchasing and sampling numerous honey-related products. Everyone agreed that it had been a thoroughly relaxing day out.

On Monday 20<sup>th</sup> May there is a morning visit to Southdown Farm near Malborough to learn more about the amazing work done by the South Devon NT rangers and volunteers. The short stroll is arranged for late spring when (weather permitting!) the wildflowers should be abundant. If you would like to come along, please meet at Southdown Farm at 10.00 am. Car-parking is available and there is no charge for this event.

Finally, a reminder that Overbeck's Garden is now open to visitors on Sundays to Thursdays, 10.30 am to 4.00 pm. Gardeners' Tours are bookable every Wednesday at 2.00 pm and the polyphon music box will be demonstrated each Sunday and Thursday at midday and 2.00 pm.

Please contact me if you would like to know more about the South Hams Centre, the local National Trust Supporter Group.

## The Maypole

Maypole dancing is a tradition on May Day, which is the first day of May. It is believed to have started in Roman Britain around 2,000 years ago, when soldiers celebrated the arrival of spring by dancing around decorated trees thanking their goddess Flora. These days dancers weave ribbons around a pole rather than a tree... The British May Day tradition of dancing around a maypole is around 600 years old and the activity often brings communities together. Traditionally, the dancers position themselves in pairs of boys and girls before beginning their routine. The dance creates a multi-coloured pattern which creeps steadily down the pole. The dancers then reverse their steps to undo the ribbons.
